

A spacious office in the Quiet Center, at the intersection of Antonijas and Elizabetes street. The office consists of a spacious exterior and four separate cabinets, toilets and showers. In one of the premises it is possible to install the server space.

Designed for 8-12 workspaces.

The office is bright and sunny – very cozy, due to the preserved wooden beams and roof windows.

The office space is in excellent condition, air conditioners are installed in each room, veneer wood windows, parquet flooring.

Fully secured with all communications – work can be started right away.

The building has an elevator.

The house has easy access for both pedestrians and car owners.

It is located 5 minutes walk from the Riga Old Town, in a very good infrastructure. Nearby there are cafes, restaurants, bank, post office, salons, shops and europark parking.

The total area is 157 m2

The rooms are available for immediate use.
